In re) Fair Hearing No. H-08/09-446
)
 Appeal of)

INTRODUCTION

The petitioner appeals an "Administrative Review Decision" of the Office of Child Support Enforcement (OCS). The preliminary issue is whether the petitioner's grievance is properly before the Human Services Board and whether the Board has jurisdiction to consider it.

DISCUSSION

The petitioner is the subject of Fair Hearing No. H-04/09-200, which is pending before the Board at this time. He filed his request for fair hearing in this matter after proceedings had begun in that case. In written submissions filed on September 25, 2009 the petitioner represents that the issues in this case are the same as in Fair Hearing No. H-04/09-200, and he submitted copies of the same arguments he had filed in that case.

ORDER

For the same reasons as set forth in the pending Recommendation in Fair Hearing No. H-04/09-200, the petitioner's appeal in this matter is dismissed.
